ABOUT THE MISFIT PROJECT

The Misfit Project is a charity that provides young people with a safe place to belong and empowers them through creativity!

Through mentoring, programs, and camps we aim to build up the voices of young people, supporting them to feel heard, empowering them to speak up, and helping to provide them the tools to tackle life, whilst engaging in a range of activities that provide an outlet for creativity and growth.

PROGRAMS

The Misfit Project runs a variety of different programs each aimed at developing the skills, wellbeing, and confidence of young people.

MENTORING

We provide one on one mentoring where we work with young people to identify their goals and guide them to achieving those desired outcomes.

CAMPS

In summer and winter, we run accessible, inclusive camps for a range of age groups, where play, self-development, and building confidence and connections for our young people are the core goal.

CAMP MISFIT

The only camp for our older cohort where themes of the wider world and society are explored; while reconnecting with our younger selves. Come along for the weekend and connect with like-minded individuals, learn and grow together in a supportive space and remember how to play.
